THE PNEUMONIA MONTH
March is a typical pneumonia month and usually gives a high rate of mortality for the disease. After a long and hard winter, the system loses much of its resistance and people grow careless. When every cold, no matter how slight, is given prompt and intelligent attention, there is much less danger of pneumonia. It should be borne in mind that pneumonia is a germ disease and breeds in the throat. Chamberlain's Cough Remedy is an expectorant and cleans out the germ laden mucus and not only cures a cold but prevents its resulting in pneumonia. It is pleasant to take. Children take it willingly.

YEASTOLE
Is rich in the vitamins which prevent premature old age and sterility. 400,000 people in the United States die every year from diseases peculiar to old age, and 60,000 die before the age of 40 years. Many thousands more are made unfit from the effects of mal-nutrition and become susceptible to disease, this it has been ascertained is largely due to insufficient vitamins in the diet, without which life must cease. Yeastole corrects this. Large can 30 cents at Druggists and Grocers. 87tf

CHRISTIAN ENDEAVOR RALLY

Mr. Harry W. Githens, State Christian Endeavor Field Worker, and Mr. Roy Bundy, President Southwest District Christian Endeavor Union, were in town Sunday to re-organize the Christian church society and hold a rally of all Christian Endeavorers in the city. The Christian church society started out with fourteen members. The following officers were elected: President, Grace Breden; Vice President, Jewel Estes; Secretary, Leota Pilant and Treasurer, Bessie Counts. The officers were assured a good backing by their society and the officers promised to help the society in every way they could.

After the meeting at the Christian church a rally was held at the Presbyterian church. Mr. Bundy explained the work in the Southwest District and also gave a special invitation to the District Convention at Neosho the last of April.

Mr. Githens was the principal speaker. His subject was "Consecration." He told of the scope of Christian Endeavor. Christian Endeavor is in every country on earth, in ninety denominations, in the army and navy, in prisons and other state institutions, and has a fellowship of over 4,000,000. This wonderful society has grown out of a small group of young people who met at the home of their pastor, Dr. Francis E. Clark, one winter's night forty-one years ago. Mr. Githens urged the young people to consecrate their talents to the best possible service, to consecrate at least one-tenth of their money to Christian causes, and to consecrate one-seventh of their time to the advancement of the Kingdom. Everyone present was inspired by the address of Mr. Githens and hope that in his work over the State he will be able to return to Monett.

FULKERSON WILL BE TRIED BEFORE JUDGE BOOTH

The case of the State against P. J. Fulkerson, who is charged with enticing Miss Carmon Burke, 16 year old daughter of Mr. and Mrs. P. J. Burke, of Lawrence county, from her home and marrying her without her parent's consent, will be tried before Judge Booth, of Peirce City, Thursday, March 9. The case came up before Justice of the Peace D. B. Meador, in Monett, Saturday morning. It was decided that the court had no jurisdiction in the case as the couple was married in Lawrence county and the arrest also took place in that county. Fulkerson was re-arrested by Deputy Sheriff L. E. Barclay, of Lawrence county, and the case was set to appear before Chas. Patterson, justice of the peace of Lawrence County. At that place the case was transferred to Peirce City before Judge Booth on a change of venue.

NEW PRICES ANNOUNCED BY WILLYS-OVERLAND

A reduction in prices of Overland and Willys-Knight cars was announced today by officials of the Willys-Overland company. The new prices are effective immediately.

The new price of the Overland touring car is \$550. One year ago this car sold for \$1035.

This is an additional reduction since the reduction of 42 per cent recorded from September, 1920, to September, 1921, a total reduction of 47 per cent in a year and a half.

In 1916 the Overland sold for \$615. The Willys-Knight touring car is now listed at \$1375, a further reduction of \$150 since the reduction of 34 per cent made last September, a total reduction of 40 per cent in a year and a half.

These new prices were made possible say Spratley and Lehnhard of the Monett Overland Agency, by economies in manufacturing methods, the consumption of high-priced material inventories, the practical total elimination of obligations for high-priced materials, the operation of a new, more progressive and more economical marketing plan and increased production.

The new prices and those of September, 1920, follows: Overland chassis \$450, formerly \$885; touring \$550, formerly \$1035; roadster \$550, formerly \$1035; coupe \$850, formerly \$1525; sedan \$895, formerly \$1675.

Willys-Knight roadster \$1350, formerly \$2300; touring \$1375, formerly \$2300; coupe \$1875, formerly \$2950; sedan \$2095, formerly \$3050; chassis \$1100. All prices are f. o. b. Toledo. 08t3

FOUND A CURE FOR

INDIGESTION

"I use Chamberlain's Stomach and Liver Tablets for indigestion and find they suit my case better than any dyspepsia remedy I have ever tried and I have used many different medicines. I am nearly fifty years of age and have suffered a great deal from indigestion. I can eat almost anything I want to, now," writes George W. Emory, Rock Mills, Ala. These tablets contain no pepsin but strengthen the stomach and enable it to digest the food naturally.

SHOP LIFTERS ARE CAUGHT IN MONETT

Herschel Chapell, 14 years old, son of E. S. Chapell, and Lloyd Bray, 14 years old, son of J. A. Crister, both of Springfield, Ark., were captured on passenger train No. 6 in the Frisco yards in Monett, Saturday night, by Special Officer W. H. Long. They rode the bling from Springdale on top of the tender. When they were taken into custody of the officer, they had a quantity of articles of all kinds in a sack and had several pieces of jewelry in their pockets. Questioned by the officers, one of the boys confessed to stealing the articles from various stores at Springdale. Later the other boy pleaded guilty. Among the stores they stole from were the Famous Hardware Store, Wilson Clothing Store, Cash Dry Goods Store and they also entered the home of Joe Wallace, residing one mile south of Springdale, and stole a valuable watch. They were taken to the city jail and locked up, and their parents at Springdale notified.

The fathers of the boys arrived in Monett on No. 4 Monday morning and will take the boys home.

The boys told the officer that they had planned to go to Canada and grow up with the country and when they were 21 years of age, they planned to homestead. Another boy at Springdale, who is attending school, was going to join them there as soon as school closed.

The boys had \$1.25 between them.

AMATEURS BREAK INTO POOL HALL

The theft of about \$100 worth of cigarettes and tobacco from the Johnston Pool Hall on Fourth street early Monday morning, was the work of amateurs is thought by Monett officers. Entrance was gained through a rear window, and judging by mud tracks on the floor and window sill, the robbery took place after 3 o'clock, following the rain. The cash register and safe were not touched.

DUTCH CLUB ENTERTAINED

The Dutch Club, which was recently organized, was delightfully entertained by Miss Thelma Shreve on Saturday evening at her home on W. Wishart street. The evening was devoted to cards. A one course lunch was served to the following members: Mr. and Mrs. Finis Massey, Misses Caroline and Rose Exposito, Blanche Turner, Messrs. Harold Butler, Raymond Davis, Robert Peters, of Springfield, and the hostess.

FOUR THOUSAND BARREL WELL

Mr. and Mrs. George Hubbert yesterday received the following telegram from Mr. and Mrs. Scott Ferris, who have oil land at Mexia, Texas: "Mexia, Texas, March 2. Mr. and Mrs. Geo. Hubbert. First well in at 2 o'clock. Making 4,000 barrels. Two more to follow." — Neosho Democrat.

HENS AND HARD TIMES

Miller Purvis in the Breeders' Gazette, says: "It would not frighten me at all to be deprived of all I have, if I had only 100 hens to begin over with. I would have food and clothes and a bank account before the end of two years. I would not live sumptuously, but I would not miss a meal nor lack clothing." We are sure Mr. Purvis would feed these 100 hens Quisenberry's Buttermilk Laying Mash. Three pounds of this feed with other particles of food the hens pick up, will make one dozen eggs.

Hens fed scratch grain alone become overly fat and will not lay. Quisenberry Buttermilk Laying Mash is guaranteed to practically double your egg yield. With this mash poultry raisers get an average of two hundred eggs per hen a year, and many hens have made records of over three hundred eggs a year on the same feed. This feed also stores vitality in the hen and in the egg. Prevents dead chicks in the shell, and insures fertility and big hatches.

The Quisenberry Buttermilk Chick Starting Food will save loss of chicks at hatching time, prevent diarrhea, and insure rapid growth. No other feed equals it in results, regardless of make or price. This we guarantee. Buy one hundred pounds of Buttermilk Laying Mash this week while we give free feeders with each sack. We guarantee more eggs if you feed according to directions and give your hens proper care. Call at Whitlock-Lines, Monett, Mo., and get a sack. 70tfd
